## Newspaper/Local History Search

For a \$5 fee the Burlington Public Library staff will search our local newspapers for birth, marriage, and death notices. A complete date of birth, marriage or death (month, day, and year) is required for this search. We will search the date you provide plus a maximum of 5 additional days. We will also research other questions related to local history. Please be as specific as possible in describing your request.

If we locate information, we will mail you a copy and provide full documentation for the article. If no information is found, we will inform you as to what was searched and for which dates. To continue the search, you may want to contact the Des Moines County Genealogical Society, P.O. Box 493, Burlington, IA 52601 or email them at [dmcgs@yahoo.com](mailto:dmcgs@yahoo.com). You are also welcome to come to the Burlington Public Library to view microfilm at no charge or search the local history files. Copies from microfilm are 25 cents per page and photocopies are 15 cents per page.

Please send your payment (checks or money orders can be made out to the Burlington Public Library) along with this completed form to:
