Every year your Burlington Public Library staff work hard to dream up, plan, and implement 8 solid weeks of incredible programs and initiatives for people of all ages to connect with others, to learn about the world around them, and to imagine the futures before them. This year we are proudly hosting My Summer Adventure and invite readers of all ages to help us read books to unlock 50 trees to be planted in our award-winning parks. To date, our summer reading program has unlocked 100 trees that are now standing tall across our parks!

The concept of a summer reading program dates back to 1895 when children's librarian, Linda Eastman of the Cleveland Public Library, created a summer reading club for kids, and we are carrying on and building upon her idea 131 years later. We know that healthy reading habits are important for people of all ages, and with over half a million digital and physical titles to choose from, there's something for everyone at the Burlington Public Library!

This summer is a perfect time to use the library's resources to reflect on our nation's history as we celebrate 250 years since the signing of the Declaration of Independence. Libraries have played an important role in our collective history, providing access to information while building community resilience. I invite you to embark on your own summer adventure to learn something new, meet new friends, and help plant more trees in Burlington - a Tree City USA & Tree City World!

Whether you're keen to look to the past and explore our history, or want to escape into a futuristic fantasy world, we hope you'll meet us at the library and join us for an incredible My Summer Adventure!

See you at the library,
Brittany Jacobs
Library Director

Instead of putting them in the Vintage market for a single day, we thought giving about two weeks to shop might be more helpful for our customers.

Special sales happen about every two weeks in the Footnotes store, so you should watch the Burlington Public Library's Facebook page for announcements or be sure to stop in the store frequently!

Enjoy the glorious summer months, summer reading, and all the library has to offer all year long!
